## Attention Asbestos Professionals!

**G**lobal Environmental Network, Inc. (GENI) has a full line of Asbestos Courses for your training convenience.

**G**ENI recognizes the need for hands-on, practical, and effective health and safety training. Training is like tape - it must "stick" to fulfill its function. Our instructors are professionals with years of relevant work experience. We can train your people at YOUR location. We also offer selected training courses at our own facilities in Oakland and Santa Ana. Our courses as well as our contract training providers are accredited by the DIVISION OCCUPATIONAL SAFETY AND HEALTH ASBESTOS CONSULTANT and TRAINER APPROVAL UNIT.

**C**ontact us for class dates and additional information. We are looking forward to meeting your Asbestos training needs!

**D**ates and locations can sometimes be changed to accommodate those registered. Current classes and dates will be updated on our website: [www.My-DVBE.com](http://www.My-DVBE.com)

**C**all Allison at 714-479-1199 for a quote.
